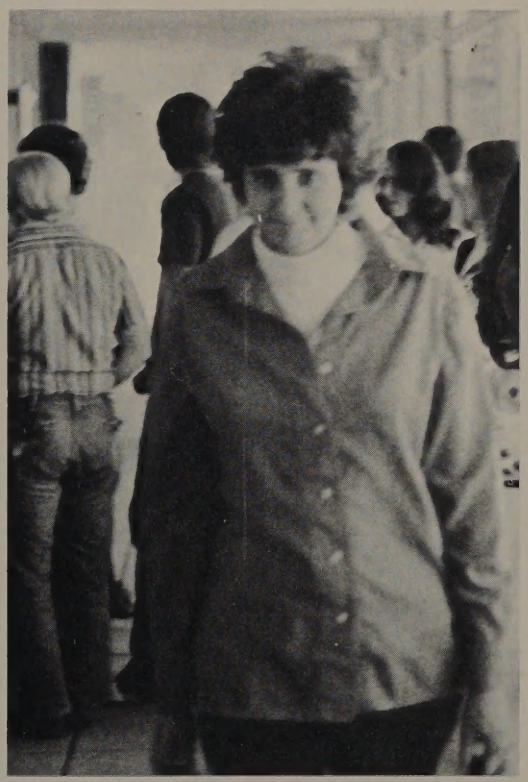
Dedication — Mrs. Sue Martin

Mrs. Sue Martin

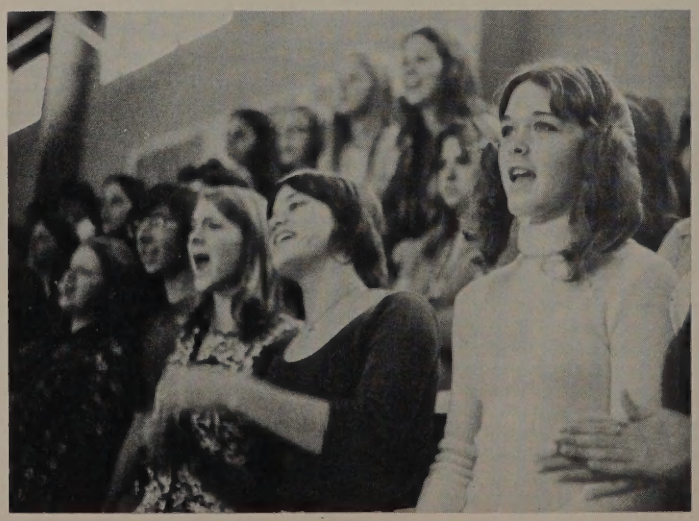
Born in Brooksmith, Texas, Mrs. Martin graduated from Brooksmith High School. She attended Texas Tech University, but completed her Bachelor of Science degree at North Texas State University. Mrs. Martin is the mother of three boys, Louis, Dan and Marcus. She is a member of TSTA, PTA, and Delta Kappa Gamma.

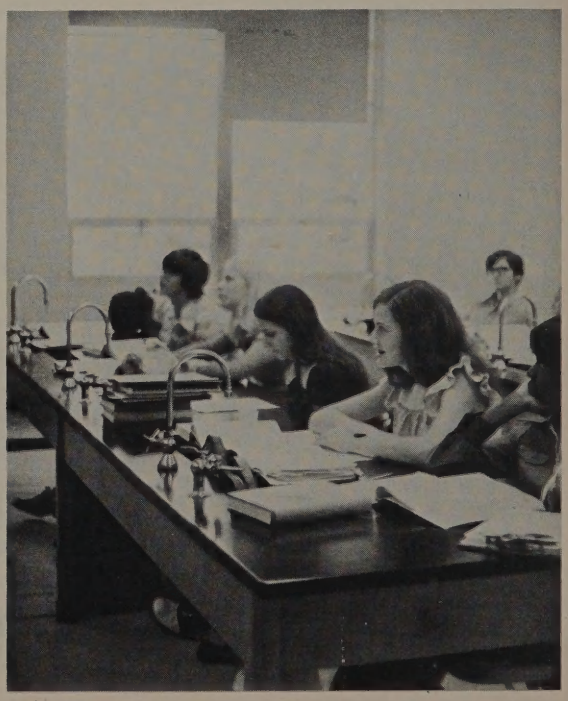
Mrs. Martin displays such outstanding qualities as patience, enthusiasm and understanding year round. The willingness to serve and interest she expresses in her students and fellow staff members is unlimited, and the respect and admiration she has gained in return is unmeasurable. It is with these qualities in mind that we, the Talon staff of 1973-1974, dedicate this yearbook to MRS. SUE MARTIN.



Memories
Like The Corners
Of My Mind

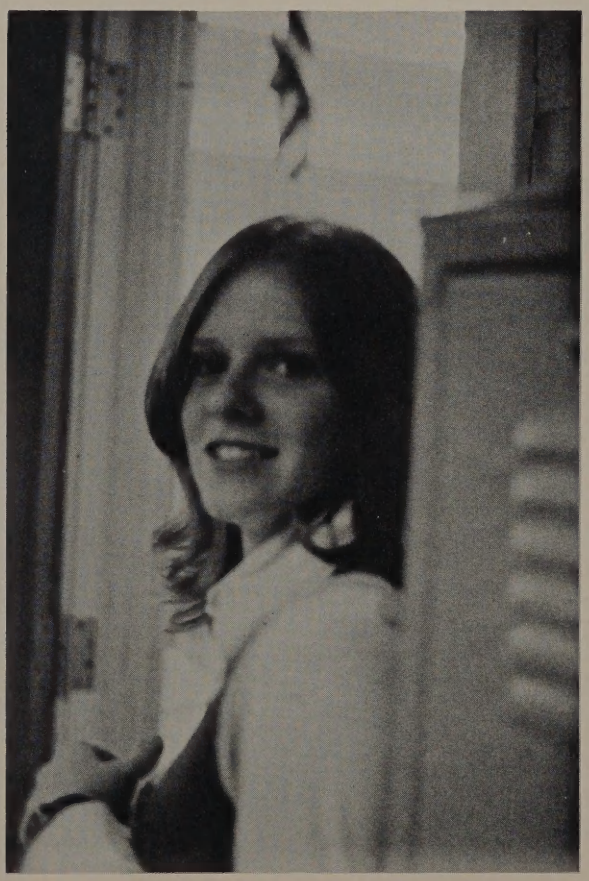
Misty
Water Color Memories
Of The Way We Were



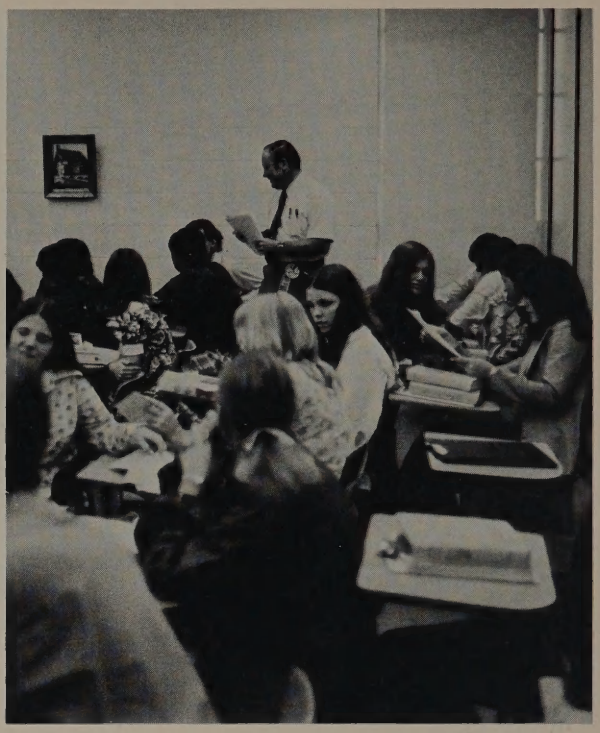


Scattered Pictures Of The Smiles We Left Behind

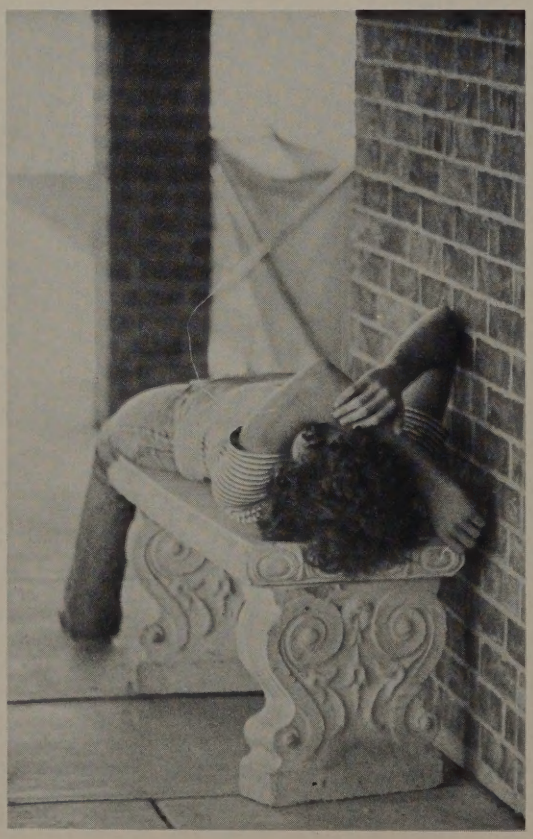
Smiles We Gave To
One Another,



For The Way
We Were



Could It Be It Was
All So Simple Then,

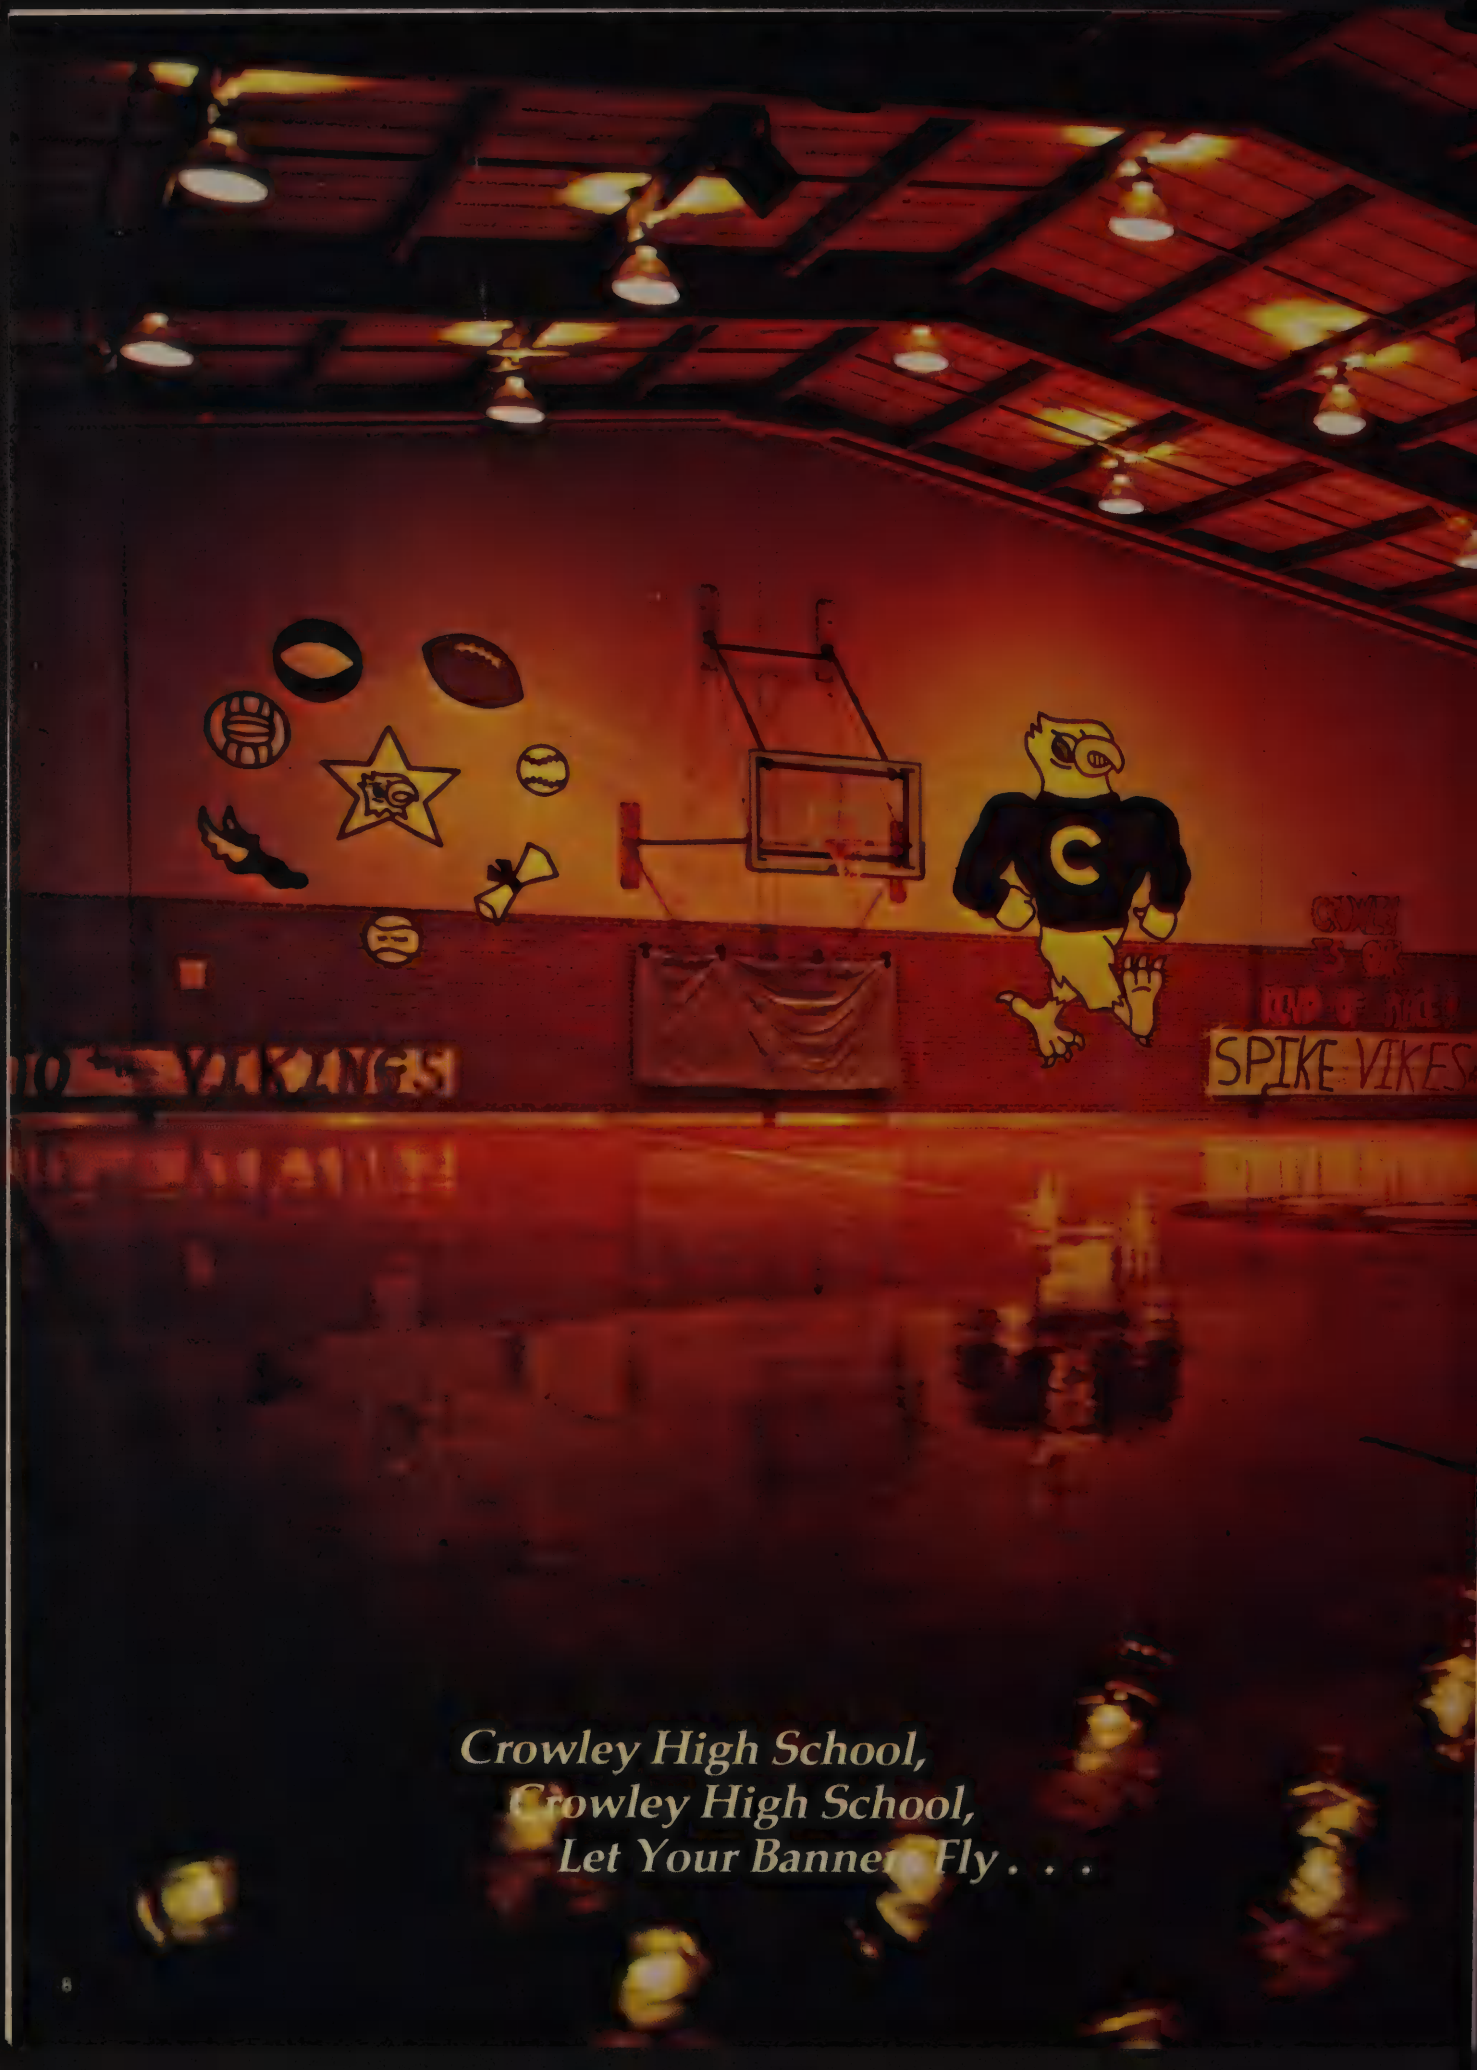


Or Has Time Rewritten
Every Line?

If We Had The Chance
To Do It All Again,

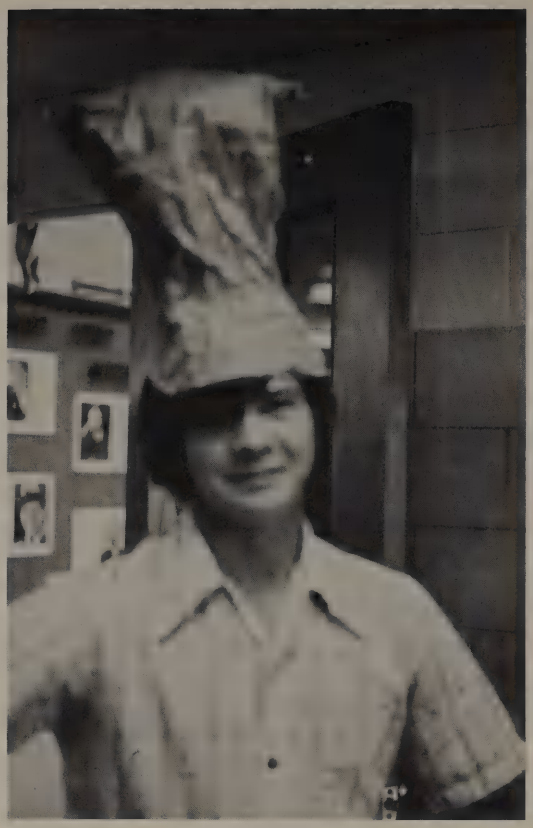
Tell Me Would We?

Could We?



Crowley High School,
Crowley High School,
Let Your Banner Fly . . .

Purple And White,
So Fair — So Bright
Hail To Crowley High!



Memories May Be Beautiful,
And Yet,

What's Too Painful
To Remember,
We Simply Choose
To Forget.

So It's The Laughter
We Will Remember,

Whenever We Remember
The Way We Were,

Get that "Lifebuoy" lift!

There's a fly in his pie!

You can wake up now, Mr. Good-wine's finished his speech.

Try that one more time and I'll wrap this broom around your head.

No Elton, use your fork!

Who was that masked man?

Maybe someday I'll learn to walk.

Far Out! I can see the sun through my eyelids!

I still say black is beautiful.
